New! The Moorea Beach Lodge

A Chic & Friendly Boutique Lodge

Located right after Hotel Hibiscus 2*, this entirely new Boutique Lodge has something for everyone!

The magnificent central banyan tree at the entrance sets the stage, with charming bungalows featuring traditional thatched pandanus roofs set all around, and the main building facing one of the most beautiful beaches in Moorea and a shallow, crystal-clear lagoon.

Three categories of bungalows - Garden, Beach and Honeymoon - all nearly identical and decorated in a bright, chic manner with A/C, bathroom, deck, safe, small refrigerator, hair dryer and Wi-Fi access.

As for meals, only breakfast is served facing the lagoon, otherwise professional dining services are available the rest of the day, with several restaurants and caterers nearby.

Kayak, bicycles and beach towels are also supplied.

Be sure to note that the Moorea Beach Lodge is also available on a buyout basis: with 12 units, this property is the perfect choice for small leisure groups; dining service by a Chef may be added.

Hurry now... availability is expected to be quite limited!

Hotel La Pirogue Api de Taha'a

New concept, 100% made in Fenua

We have experienced this small private island estate with only 4 Beach Suites, initially introduced as a luxury property, which has now refocused on authenticity and wellness in accordance with its magical island setting.

With a 100% Polynesian team, warm hospitality, delicious cuisine, great cocktail drinks, a crystal-clear lagoon that is shallow for miles on end, breathtaking sunsets over Bora Bora, and a location just a few minutes away

from the main island and its points of interest, this islet will delight both couples and families.

All with a view on Bora Bora, the level of comfort of these suites is easily matching a 4-star property: 85m² + 20m² deck, luxury bedding, A/C in the bedroom, separate living area with desk, refrigerator & tea/coffee set, safe, iron, television with USB port in each room, spacious bathroom with indoor shower and whirlpool bath on a covered deck facing the lagoon, hair dryer and bathrobes, lounge chairs and table on the deck.

Combine it with a stay at 3 or 4-star establishments with authentic atmosphere (Bora Bora Pearl Resort & Spa, Intercontinental Le Moana, Moorea Pearl Resort & Spa, Sofitel Private Island, etc...), or with a catamaran sailing cruise, for a recommended minimum 3-night stay in order to fully appreciate this gem!

Take advantage of the special Stay3/Pay2 offer with breakfast included, valid until March 31st 2017.

New Air Tahiti Air Pass

For lovers of the hidden paradises

Slightly cheaper than the LAGOON Pass (Moorea, Rangiroa, Tikehau & Fakarava), Air Tahiti has created the CORAIL Pass encompassing the islands of Ahe & Manihi in the Tuamotu archipelago.

1 Night Pre/Post Cruise Stay on Raiatea

Special conditions for 1-night stays

Most accommodation providers on Raiatea require a minimum of 2 nights stay.

After numerous requests for a 1 night Pre/Post Cruise stay on Raiatea, we have obtained and added the corresponding special conditions on the Rate Manual for establishments located not far from the port.

However, please note that a 2 night stay on Raiatea is not too long! The island has many treasures to share, like its Faaroa River – the only navigable river in Polynesia, Mount Temehani and its endemic Tiare Apetahi flower which grows only on this mountain, one of the most important Marae in Polynesia, the 3 waterfalls, or its wall of water when raining, and much more!
